**SUBJECT: Job Opportunity as Relationship Manager with ICICI Bank**

Dear Sir/Madam,

Greetings from NIIT-IFBI!

I would like to take privilege to introduce Institute of Finance Banking & Insurance (IFBI) as the largest Private Bank Training Institute in India. Through this proposal, I would like to elaborate on Our Offerings for your reputed institute.

Established by NIIT in association with ICICI BANK, IFBI reflects the strengths of both these parent companies.

The key focus area of IFBI is to address the manpower challenges of multi-skilled and trained professionals in BFSI sector. IFBI is actively engaged in re-skilling existing professionals in the Financial Services sector - who are being overwhelmed by recent economic reforms, technology advancements and changes in attitude & approach in this sector.

Since inception in September 2006, IFBI has launched over 50,000+ careers in leading organizations of the Banking and Financial Services Industry.

Currently NIIT-IFBI is running a flagship program as a training partner for ICICI bank. The program is intended to train candidates for the role of Relationship Manager at ICICI bank. The program entails a 21 (168 Hours) fast track online training. However to enroll in the program candidate needs to go through the selection process.

Henceforth we seek your consent for an open house interview for shortlisting eligible candidates. Those selected through IFBI selection process will have to undergo paid training post which they will be offered placement across the country.

Looking forward to meet you and with your support would like to take this initiative forward.

Warm Regards,

## Career Counseling and Placement Cell

In-charge: Sh. R.R.Chahal

What is career counseling?

Career Counseling is defined as psychological guidance given specially to our students, who are not clear in their mind about the career path they should take in their life. Career counseling is a process of sharing information and advice to help students in their college.

A student can approach the counselor for guidance regarding his career-related issues like his interests, aptitude, personality traits that are needed for a successful career. A career counselor chooses their perfect careers. When students talk to a career counselor, they talk about their

emotions and how they feel in explicit state of affairs. Career Counseling helps a student to make his/her mind up with feelings, thinking, and behaving in real-life situations. The counselor develops strategies to help students in choosing the best-fit career for them.

The Career Counseling and Placement Cell in the college are keenly working for the betterment of the students.
