Gender Audit: An Introduction

A. Introduction of the Institution:

With the dawn of independence, there was a dire need to improve opportunities for higher education for the underprivileged sections of society. Ch. Tika Ram, founder of the institute, was inspired by the same spirit when he established Chhotu Ram Arya College in 1951 on the death anniversary of Ch. Chhotu Ram. The institute has been following the ideals of Ch. Tika Ram and Ch. Chhotu Ram, and its main objectives are to uplift the down-trodden, and provide quality education to one and all. Chhotu Ram Arya College is known for its great achievements, the students achieve tremendous success in games, cultural activities, and academics. Recently, the college authorities decided to launch different types of courses, including professional ones for the benefit of society. This is a step forward to academic excellence and towards providing the opportunity to the students and teachers. The campus comprises modern lecture theatres, computer labs with more than 120 computers, and round-the-clock internet. The campus provides blanket wireless services (wifi) in the institute. One centralized fully AC soundproof Theatre & Multipurpose Hall with a sitting capacity of 200 Students has been furnished with ultra-modern latest techniques. College library is one of the best libraries in the state, attracting voracious readers, has a rare collection of more than 30000 books in a unique feature besides 2000 books for competitive examinations. C R A College prides itself by possessing a rare distinction of having a highly qualified, dedicated and enthusiastic staff with doctorates, M.Phil. and different prestigious awards. In addition to conventional teaching, more stress is laid on imbibing moral and ethical characters, career planning and guidance, and co-curricular activities such as Cultural activities, NSS and Sports etc.

B. Context:

When the institution was established, the issue of gender awareness was not much of a concern especially in a city surrounded by rural background. This awareness became a major parameter for institutional governance, so the institutional leaders stepped forward to ensure gender equality. Gender sensitive approach aims at opening, reconstructing and broadening expectations and behavioural models related to gender awareness. Gender sensitive structures respond equally to men and women's specific interests without any presumption based on stereo typical mind-set.

C. Gender Audit

The basic assumption of gender audit in an educational institution is that public policies, opinions, and expectations impact differently on female and male learners. The purpose of gender audit is to lead to positive changes which contribute

to an increase in gender equality. It is a tool to check and assess the institutionalization of gender equality into organizations, including in their policies, programs, projects, provision of services and participation etc. Without gender audit, we cannot analyse whether the college has a good gender balance, and what the Institution is doing to improve the status of women in general and the representation of women's voice in particular. It tries to see whether college follows government rules, policies and actions formulated for up-gradation of gender equality in institute and society as well. The Gender Audit tries to assess the impact of its current and proposed policies on gender equality.

D. Phases of Gender Audit

Gender audit follows different phases by analyzing:

- The gender- specific objectives of the institute and how much the institute fosters gender equality internally within its organizational, managerial structure and internal work, and whether these contribute to gender equality in the organization.
- Whether gender equality is mainstreamed in the general objectives of the institutional policy in order to guarantee that they contribute to close gender gaps, ensure that women and men benefit equally or in accordance with their gender needs and those inequalities are not perpetuated.
- How gender equality is mainstreamed into the implementation phase of the policy, programme or project by exploring to what extent gender equality is mainstreamed in high-level policy objectives and priorities, and further assess to what extent policy intentions are carried out in specific initiatives.
- How the relative progress made in gender mainstreaming contributes to capacity building and collective organizational ownership for gender equality initiatives, and sharpens organizational learning on gender.
- Finally, a gender audit of the evaluation phase investigates whether targets and indicators include a gender perspective both in terms of sex-ratio data and progress towards gender equality.

E. Functioning of the Gender Audit:

- To join hands with IQAC, Anti-ragging Committee, Women Cell, Discipline Committee and Internal Complaint Committee for creation of gender sensitization and gender equality.

- Initially, efforts are made to know and analyze gender perception among students, staff members and administration in the campus.
- To prepare a road map for gender audit action after due consideration and suggestions from different committees.
- To start gender action, first of all, the gender balance of students, teaching and non-teaching staff members and administration in the college has to be known and analysed.
- To ensure the planning of different activities regarding the gender awareness in and outside the campus.

F. Gender Audit Methods:

For organizational transformation the institute has to focus on gender integration in all important dimensions of organization. Gender Integration Structure has to be created to conduct gender audit.

- First gender audit focuses on organizational culture by exploring norms, customs, beliefs and codes of behavior in an organization that support gender equality – how people behave and what behaviors are rewarded or rejected.
- Secondly, gender audit surveys institutional mechanisms by which a college determines the extent of integrating gender equality in its programs and organizational structures.
- Next, the audit evaluates procedural competence including level of commitment, qualifications and skills people hold to carry out the practical aspects of gender integration for enhanced program quality.
- Last but not least the audit investigates the initiatives in which the governance within the college at different levels engages their subordinates and students to successfully create gender awareness. How the higher authorities communicate and demonstrate their support, leadership, enthusiasm for and commitment to working toward gender equality in the college.

G. Constitution of Gender Audit Committee:

The Gender Audit undertaken by Chairman, Vice Chairman, IQAC, external and internal Committee Members, intended to scrutinize the gender balance and gender equality within the institution and its practices

| S.No. | Name | Designation | Institution |
|--------------|------------------------------|------------------------------|---|
| 1 | Dr. Narender Singh Khatri | Chairman | Principal |
| 2 | Dr. Naresh Rathee | Vice-chairman | IQAC, Co-ordinator |

H. Gender Balance within the Institution:

The logic behind the gender audit is the rationale that traditionally women have been suppressed under the domination of patriarchal social structure due to which they have lesser access to resources and opportunities provided by institutions and organizations. This results in lesser competence among women which in turn hampers their empowerment and access to development initiatives. Gender audit is the steppingstone to achieve gender equity which requires that girls and women should be provided with a full range of activity and program choices that meet their needs, interests and experiences. Therefore, some activities may be the same as those offered to boys and men, some may be altered, and some may be altogether different.

The first requisite of Gender audit is to know and analyze gender balance, which means the existence of a fair ratio of male and female representation within the institution in terms of number and participation of students in the various programmes as well as within the staff structure.

I: Objectives of Gender Sensitization and Anti Sexual Harassment Programmes:

- Joining hands with various committees like Anti-ragging, Internal Complaints, Discipline Committee and Women Development Cell.
- To keep gender equality upright in the college, providing facilities to girl students and female staff members.
- To create awareness about the gender discrimination and problems of women in and outside the campus.
- The institute shall take effective measures for the safety and security of all students, specifically for girl students.
- There must be an accessible, active, unbiased and confidential Grievance Redressal Cell.
- To develop and enhance the self-confidence and self-esteem of girl students, women faculty and staff in the college.
- Overall personality development programs shall be organized, which will develop confidence in the members of the institution.
- To protect girl students from eve teasing and for the same posters to be exhibited at focal places in and around the college.
- Certified consultants and professionals to be invited to take care of personal development and confidence building among students.
- Organizing programs to build confidence and instil leadership qualities in all students.

J: Initiatives of Gender Sensitization and Anti Sexual Harassment Programme:

The following initiatives and provisions have been undertaken by the College for the convenience and safety of girl students:

- A. **Safe Entrance:** The safe entrance with female peon is one of the safety measures for girls.
- B. **Ladies Staff Room:** Well-furnished rooms with attached washrooms are provided for staff members.
- C. **Girls Common Room:** There is a separate Girls Common Room and silence is maintained for them to study.
- D. **Girls Washroom:** Separate Girls' washrooms are provided at two different places in the college with ample water supply and proper maintenance.
- E. **Drinking Water:** Water coolers and water purifiers have been provided for boys and girls in the College campus.
- F. **Library:** Without any consideration of gender and category differences library is accessible for all.
- G. **CCTV monitoring devices:** There are CCTV monitoring devices installed at different locations within the campus.
- H. **Canteen:** There is a safe and easy access to the canteen for girls.

K: Committees involved in Gender Sensitization and Anti Sexual

Harassment Initiatives: The College has established a number of committees to aid girl students and ladies' staff. These committees include:

- a) **Anti-Ragging Committee:** In order to prohibit, prevent and eliminate the scourge of ragging the College has formed an Anti-Ragging Committee. The students in distress owing to ragging related incidents can approach the Committee. The Committee comprises Anti-Ragging Squad, and student Representatives. The Principal of the College is the Chairperson of the Anti-Ragging Committee. Our college publishes its regulations in the prospectus and announces that Ragging is a criminal offence and UGC has notified regulations on curbing the menace of ragging in educational institutions.
- b) **Discipline Committee:** The College has formed a Discipline Committee.

The students in distress owing to Discipline related incidents can contact the committee. The Principal of the College is the Chairperson of the Discipline Committee. The college publishes its regulations to maintain discipline in college in the prospectus.

c) **Women Development Cell:** Women Empowerment and Gender Equality are the most important requirements for the upliftment and progress of our nation. In the effort to make institute a strong platform of gender sensitization, the Women Development Cell was constituted. The cell has both the faculty and nonteaching of the College as its members and works with an aim to create a gender sensitized community within campus as well as in the society. It has been organizing various skill enhancements, academic, technical, medical, cultural and social events for the upliftment of women and promotion of the importance of gender equality in society through the College students.

d) **NSS for Girls:** Our institute has NSS to sensitize students towards societal issues and community services, activities of which are mainly carried out by the students. The NSS units provide a suitable environment for taking up a career in the social services. The girls are trained and motivated for all kinds of social work in the field. They are motivated to serve the society.

e) **Gender Champions:** Becoming a student representative enables the student to develop and strengthen leadership skills, connect with various internal and external issues and problems, assist fellow students, share experiences and participate in college events for the administrative development.

f) **Equal Opportunity Cell:** This cell ensures that every student irrespective caste, creed and religions get equal opportunity. College does not discriminate at any level.

g) **Internal Complaint Committee:** As per the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act and Rule 2013, the college has constituted an Internal Complaint Committee (ICC). Having raised the bar of responsibility and accountability in the Vishaka Guidelines, the Supreme Court placed an obligation on workplaces, institutions and those in positions of responsibility, to uphold working women's fundamental right to equality and dignity at the workplace. Three key obligations were imposed on institutions to meet that standard, namely-Prohibition, Prevention and Redress. Consistent with the Vishaka judgment, the Act aspires to ensure women's right to workplace equality, protection from sexual

harassment through compliance with the above mentioned three elements. It is important to note that the Act provides a civil remedy to women in addition to other laws that are currently in force.

h) Constitution of Internal Complaint Committee:

Progress towards Gender Equity

The institution strictly follows the concept of gender equality and gender equity detailed by United Nations Educational, Scientific and Cultural Organization (UNESCO), “Gender equality, equality between men and women...does not mean that women and men have to become the same, but that their rights, responsibilities and opportunities will not depend on whether they were born male or female. Gender equity means fairness of treatment for men and women according to their respective needs. This may include equal treatment or treatment that is

different, but which is considered equivalent in terms of rights, benefits, obligations, and opportunities.” Our institution recognizes that women and men have different needs and potential and that these differences should be identified and addressed well in time in a manner that rectifies the imbalances between the sexes.

Chhotu Ram Arya College organizes a number of activities to empower women, these include engaging, sensitizing and making all administration, staff and students of the institution aware of gender equality. Our college organizes seminars, conferences, guest lectures, workshops and awareness programmes on various women related issues to equip them with wide range of skills and knowledge for the betterment of self, institution and society. The College also focuses on empowering and strengthening the confidence of girl students to be the future women leaders, perfect home makers and professions. Regular sessions are organized at various levels to instil self-confidence, develop ethical values and make the girl students realize and utilize their true potential. At the same time these activities sensitize male staff members to change their mindset and accept women as their equally competent counterparts.

Findings of Gender Audit:

Gender Audit was conducted on 8th and 9th August 2022. The team reviewed and analyzed the complete environment of college and came to the conclusion that the college has been running in an environment where everyone feels free to access to a full range of opportunities. The college provides a platform to achieve the social, psychological and physical benefits that come from representing, participating and leading in administration, curricular, co-curricular and extra-curricular activities. The college always concentrates on students' academic performance along with their overall personality development. Observing gender equality, the girls are provided with various facilities. The two NSS units for boys and girls have been meticulously focusing on outstanding achievements of the girls. The lectures and workshops have been held on 'Prevention of Sexual Abuse and Safety of Girls Students', 'Health and Hygiene,' 'Awareness & Legal Aspects of Sexual Abuse', 'Sexual Harassment of Women at Workplace (prohibition, prevention and redressal), etc. Anti-ragging Committee and Internal Complaints Committee have already been formed in the college. Our girl students have achieved grand success in the field of Academics, Cultural Activities and Sports. Their participation in Youth Festival and various competitions has brought laurels and fame to them as well as the College. The analysis of the responses of students and staff members with regard to programme, planning and design in college and its activities have shown that everyone feels that the gender equity in policies, programmes of the college is adequate.

The subtle qualities of gender audit in the Institution revealed the following notable points:

- Basic sanitation facility in the form of separate toilets for the students and staff is provided in the common area. Separate toilets for male and female faculty members, girl and boy students are available.
- A Ladies Staff Room with attached toilet is provided on the 1st Floor of the main building.
- Girls Common Room adjoining to Ladies Staff Room is allotted.
- There are CCTV monitoring devices installed at different locations within the campus especially within the Library and major entry and exit points.
- There is a Women Cell that conducts Gender Sensitization programmes regularly for the students.
- All the main Committees are functional and supportive to each other to encourage gender sensitization in and outside the campus.
- Student's strength particularly girls' strength is increasing in PG programmes. More girls are enrolling for higher studies.
- Among ad hoc teaching staff the strength of females is higher than that of males.
- Women have representation in governing body of college.

SUGGESTIONS FOR ENHANCEMENT:

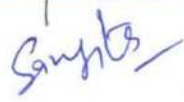

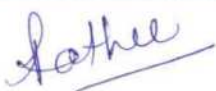

In the coming years, our institute aims to :

- Introduce the presence and acceptance of LG B T Q community.
- Increase the Awareness programs on the presence and inclusion of Third Gender.
- Increase the participation of girl students in co-curricular and extra-curricular activities.
- Increase the participation of female staff to decision making bodies.
- Organize more co-curricular and extra-curricular activities for students and staff members.
- Motivate students to change their mindset regarding the stereo typical gender specific roles.
- Organize awareness programs on Legal Rights of Women.
- Introduce self-employment training in different subjects.

Conclusion:

The audit and analysis show that gender equity goals and objectives have been included in all the policies, programmes governance of the college. The students, teaching and non-teaching staff also reported that they have no problems related to gender criterion. Gender Audit Team analyzed that gender equality and gender sensitivity is encouraged by administration and staff of the college and they do have gender sensitive behavior. It is found that the college has a lot of strengths and opportunities to develop good gender balance. The weaknesses can be overcome with gradual changes in value set up. Doubtless, the enrolment of girls from all sections of society is increasing and there are no gender issue complaints. With the strong will power and commitment to gender justice, the College would certainly make a mark in the society.

Report

On February 21, 2019, an engaging workshop unfolded, centering its discourse on the crucial theme of Women Empowerment. The event, graced by distinguished resource persons from Modi University in Sikar, Rajasthan specifically, Dr. B.S. Rathore, Dr. Divya Mathur, and Dr. Harish Sharma provided a rich tapestry of insights.

With each speaker contributing their unique perspective, the workshop resonated with a resounding emphasis on the upliftment of women. Dr. B.S. Rathore, with his wealth of knowledge, Dr. Divya Mathur, offering nuanced insights, and Dr. Harish Sharma, contributing valuable expertise, collectively illuminated the various dimensions of women's empowerment.

At its core, the workshop underscored the significance of asserting women's rights across diverse facets of life. The speakers not only delivered informative sessions but also actively engaged the participants in discussions, fostering an environment for collective reflection on the challenges and opportunities surrounding women's empowerment.

A pivotal takeaway from the workshop was the indispensable role of education in catalyzing women's empowerment. Participants were not merely informed about the importance of education for women; they were immersed in discussions that explored tangible ways to enhance educational opportunities, further solidifying the commitment to this transformative cause.

In its entirety, the workshop emerged as a dynamic platform for meaningful dialogue, where esteemed speakers and participants converged to deepen their understanding of the challenges faced by women and collectively chart pathways towards empowerment.

Report

In commemoration of International Women's Day on the 8th of March 2021, the Women Development Cell organized a thought-provoking online lecture on the pivotal theme of "Women Participation in Politics." The event aimed to shed light on the significant role women play in the political landscape. Renowned speaker Jyoti Raj, distinguished for her expertise in the field, served as the key speaker for this enlightening session.

The online lecture, which was thoughtfully curated for both students and teachers, delved into the intricacies of women's involvement in politics. Jyoti Raj, with her wealth of knowledge and experience, shared valuable insights and perspectives, contributing to a deeper understanding of the challenges and opportunities women encounter in the political sphere.

The occasion served as a platform not only for knowledge dissemination but also as a celebration of women's accomplishments in politics. Attendees had the opportunity to engage in meaningful discussions and gain a comprehensive understanding of the nuances associated with women's active participation in shaping political landscapes. This event, organized by the Women Development Cell, reflects our commitment to fostering awareness and encouraging dialogue on issues of paramount importance.

Report

On the 27th of June 2022, the Women Cell of our esteemed institution orchestrated a comprehensive and impactful one-day Health Talk & Health Check-Up Camp. The event witnessed the active participation of both staff and students, fostering a holistic approach to well-being.

A distinguished team of experienced and qualified doctors from BLK-Max Hospital, New Delhi, graced our campus for this health-centric initiative. The team, led by Dr. Jai Gopal Sharma, Dr. Nidhi Nayyar, and Dr. Shyam Bahadur, exhibited commendable professionalism and expertise throughout the day. Their thorough examinations and insightful advice greatly benefited the health assessment of both staff and students.

The presence of our esteemed guest, Dr. Monika Verma, Principal of T.R.P.G. Girls College, Sonapat, added a touch of prestige to the occasion. Dr. Verma delivered an inspiring address, sharing valuable insights and emphasizing the importance of prioritizing health and well-being. Her motivational words resonated with the audience, leaving a lasting impact on everyone present.

The active participation of our students added vibrancy to the event. They engaged enthusiastically in the health check-up sessions, demonstrating their commitment to maintaining a healthy lifestyle. The interactive nature of the Health Talk allowed students to glean valuable information and engage in discussions with the medical professionals.

The dedication and collective efforts of the organizing committee, the proficient medical team, and the inspiring presence of Dr. Monika Verma contributed to the resounding success of the Health Talk & Health Check-Up Camp. The CRA College Family extends heartfelt gratitude to all involved for their commitment to the well-being of our college community.

REPORT on Comprehensive Educational Initiative

NSS On December 4, 2019, NSS Units I and II orchestrated a comprehensive educational initiative, featuring a lecture on "HIV/AIDS" coupled with training sessions on First Aid and Home Nursing. The gathering witnessed active participation from 200 volunteers who eagerly engaged in this informative training.

Addressing the volunteers, Program Officer Dr. Usha Dahiya underscored the significance of the occasion, noting that the first World AIDS Day was commemorated in 1988. This annual event provides a crucial platform to raise awareness about HIV/AIDS and pays tribute to the lives affected by this epidemic. Dr. Dahiya emphasized the importance of understanding the nuances of this global health challenge and fostering a community that is well-informed and empathetic toward those impacted by HIV/AIDS.

The training sessions were not only geared towards enhancing volunteers' knowledge of HIV/AIDS but also included practical aspects such as First Aid and

Home Nursing. This hands-on training aimed to equip the volunteers with essential skills to respond effectively to medical emergencies and provide basic healthcare support when needed.

During the event, Dr. Jai Gopal Sharma shared valuable insights, advising all participants to seek medical help early. He stressed the significance of approaching healthcare professionals promptly, as early diagnosis can halt the progression of the disease at an early stage, ultimately improving the outcomes for individuals affected by HIV/AIDS.

This initiative by NSS Units I and II not only serves as a commendable contribution to community health awareness but also reinforces the organization's commitment to fostering a proactive and informed volunteer base dedicated to addressing critical health issues within society.

Report on Personality Day

NSS Unit (I and II) organised “**Personality Day**” on 5th March 2023. Program Officers Dr. Usha Dahiya and Dr. Manita started the programme oath taking ceremony of the volunteers. As the third major component of education, the NSS is a part of our academic, social, and personal lives. It enables students to actively off time and talents to the betterment of society and country, thereby assisting in the development of their personalities. Personality Day is a celebration that acknowledges the uniqueness and individuality of each person. It serves as a reminder that diversity in personalities is what makes our world rich and vibrant. On this day, people come together to appreciate and embrace the diverse qualities that define us as individuals. It's an opportunity to reflect on the importance of self-awareness and acceptance, fostering an environment where everyone feels valued for who they are. Personality Day encourages us to celebrate the quirks, strengths, and differences that collectively contribute to the tapestry of humanity. It's a day to promote understanding, respect, and unity, emphasizing that our unique personalities should be embraced as assets that enrich our shared human experience.
